CALL FOR PAPERS

10th International Conference on

BUSINESS SUSTAINABILITY 2026

Management, Technology and Learning for Individuals, Organisations and Society in Turbulent Environments

November 25th – 27th, 2026, Póvoa de Varzim, Portugal

<https://www.bs2026.org>

About the conference:

The overall objectives of the conference are to advance both the theory and practice of Business Sustainability, as well as to support the implementation and promotion of sustainable practices within companies. These practices should address sustainability across multiple dimensions and at all organizational levels, from strategic management to operational activities, encompassing all types of businesses and functional areas. Furthermore, the conference aims to place people at the center, recognizing them as a critical success factor for achieving business sustainability.

Papers and publications:

All accepted and presented papers will be published as a volume in *Springer Proceedings in Business and Economics*, by Springer Nature.

This book series is indexed in SCOPUS, meaning that the Proceedings book from Business Sustainability 2026 will be submitted for indexing in SCOPUS.

Also, the presentation resumes (without publication in Springer Nature Proceedings), abstracts and posters, will be published in a special publication "Book of Abstracts and Posters" by the Association, with ISBN number.

See [Publications](#) on the conference website.

The best papers award:

There will be selected three papers for the "Best Paper Award"

Venue:

The 10th International Conference on Business Sustainability will be held in Póvoa de Varzim, in the north-western part of Portugal with dense vegetation and profound historic wealth spanning over all historic periods. Minho region is also called "Minho Verde" (Green Minho). Póvoa de Varzim, reached in an hour by the Porto metro Line B from the centre of town, is a thriving resort on Portugal's Atlantic Coast. Historically a fishing port and ship-building centre during the Age of Discoveries, Póvoa de Varzim is now a popular ocean resort, 12 km of beautiful beaches for swimming and surfing.

Important dates:

Full Paper Submission	15th September 2026
First Review Notification	30th September 2026
Submission of the revised paper	20th October 2026
Second Review Notification	30th October 2026
Full presentation submission (only for authors intending to present a work without publication, or based on a previously published work)	30th October 2026

10th Int. Conf. on Business Sustainability 2026

25th-27th November 2026
